A New Era of Office Seating

Amica is not just a chair; it's a revolution in office seating. It offers total support for those long days at the office without compromising on aesthetics. The patented clip-on back is expertly shaped for lumbar support, ensuring your comfort is paramount. With Amica, experience a chair that truly understands the needs of the modern professional.

Innovative Features Meet Practical Design

Constructed with a strong and flexible mesh, Amica is built to last. It features fixed arms, gas height adjustment, tension adjustment, and a backrest with single lock. The polypropylene base and universal castors add to its durability, making Amica a reliable companion in any office setting.

Eco-friendly Innovation

Aligned with a commitment to sustainability, Amica is crafted with eco-conscious materials and processes. Every aspect of its design and manufacturing reflects a dedication to environmental responsibility. With Amica, embrace a product that not only enhances your workspace but also contributes to a greener planet, embodying Klassworks' promise of delivering innovation with 'No Less' consideration for the environment.
