SHACK**

Your Personalised Workspace Solution.

Hive.

The Hive by Klassworks re-imagines the concept of a personal workspace. This innovative product is more than just a chair or a desk; it's a fully-integrated solution that caters to the need for privacy and focus in bustling work environments. Designed for both individual work and collaboration, the Hive provides a unique blend of comfort, functionality, and privacy.

Designed for Modern Work Dynamics

Hive offers a secluded space for deep focus, yet is versatile enough to facilitate collaboration. Its large, comfortable seating, multi-adjustable table, and reading lamp make it suitable for various work styles.

Adaptable Features for Personalised Comfort

Hive allows you to create a workspace that truly reflects your needs. Options include a side surface for additional workspace, an extra in-between module for more room, and different configurations like double workspaces or cross formations. The lockable drawer and storage space underneath ensure your belongings are secure and close at hand.

Innovative, Ergonomic, and Stylish

Hive is not just a functional piece; it's a style statement. With its various upholstery colour options, you can choose the one that best fits your office aesthetic.
