A Celebration of
Comfort and Style.
Pop.

Pop by Klassworks is more than just an office chair; it's a revelation in comfort and design. Conceived with the idea that an office chair should be as beautiful as it is functional, Pop sets a new standard in office seating. It's a chair that makes you happy, supports your back, and is kind to your wallet.

Functionality Meets Aesthetic Appeal

Pop is a high-performance task chair designed around the needs of people at work. Every aspect of the chair is crafted to create an ergonomic operating position, ensuring your day at the office is as comfortable as it is productive.

Happiness by Design

The philosophy behind Pop is simple yet profound: The happier you are, the more beautiful you become. Pop replaces the mundane with beauty, comfort, brightness, and joy. It's a product of German design meeting South African engineering – a perfect blend of global standards and local craftsmanship.

German Design, Proudly Made in South Africa

With award-winning German designer Stefan Brodbeck at the helm, Pop breaks the office-chair rulebook. It's youthful, happy, and uncompromisingly comfortable. The team in South Africa brings this vision to life, adhering to the highest global standards to produce a chair that not only looks good but feels great.
