SHACK**

Dynamic Comfort for
on-the-go Professional
Shift.

Shift, a dynamic all-rounder from Klassworks, is designed for the active and versatile professional. It's a chair that moves with you, from meetings to casual chats, embodying modern design and lightweight functionality. With Shift, comfort and adaptability are always at the heart of the action.

OPTIONS

Bases 5 star with castors Sleigh cantilever 4 leg	Material Upholstery seat Plastic shell in black, grey or white	Optional Arm rests	WIDE RANGE OF COLOURS
---	---	------------------------------	----------------------------------

Designed for Movement and Flexibility

Whether you're rushing between meetings or settling in for a brainstorming session, Shift's agile design ensures you have a comfortable seat in any situation. Its modern, lightweight build is in perfect harmony with its comfortable and adaptable nature.

Modern Aesthetics, Uncompromising Comfort

Shift is designed with a focus on modern aesthetics and functionality. With options for arms or armless designs, and bases like 5-star with castors, sleigh cantilever, or a 4-leg base, Shift caters to diverse preferences and office environments.

Personalise Your Office Experience

Shift invites you to personalise your office experience. Choose from a plastic shell in black, grey, or white, and pick any colour for the upholstery - have fun with it! Shift's simplicity is deceptive; it's a chair that has your back in every way, ensuring comfort, support, and style.
