Flexibility and Privacy in Open Spaces.

Swivel.

Swivel by Klassworks is the ideal solution for open-plan offices that require flexible partitioning. This innovative two-panel screen is set on a robust, fully rotating base, allowing for effortless mobility and arrangement. Customise the fabric cover panels to suit your office decor or to make a statement with a fabric of your choice.

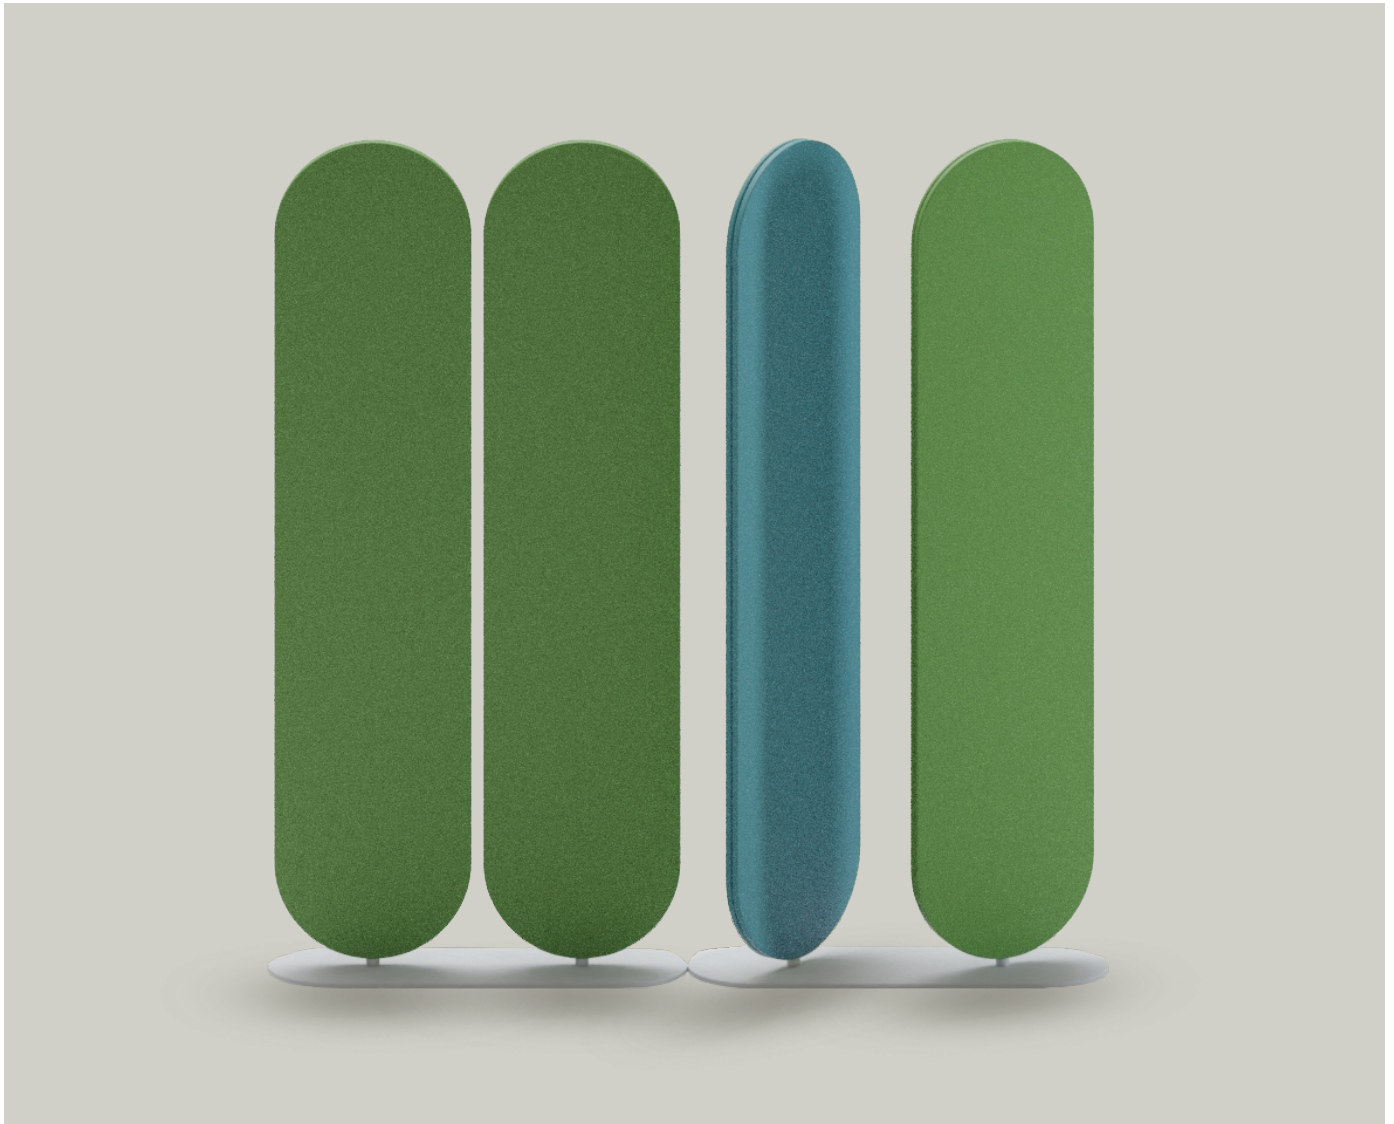

OPTIONS

Customisable fabric covered panels
Mix up fabrics to match your interior colours
Combine multiple swivels to extend visual privacy
Fully rotating base for effortless arrangements

WIDE RANGE OF COLOURS

Dynamic and Mobile Partitioning

Swivel brings a new level of adaptability to office layouts. Its lightweight design and full rotation feature allow for quick reconfiguration, perfect for creating private nooks or collaborative spaces in any open-plan design.

Creating Calm in Collaborative Environments

Swivel offers both acoustic and visual privacy, acting as an excellent room divider. Its design helps dampen ambient sound, providing a quieter and more focused working area. Swivel is not just functional; it's an essential element for privacy and concentration in bustling office settings.

Design Your Own Space

Our Swivel partition is a mobile marvel, ready to be customised with your selected fabric, turning functional space management into a design opportunity. It's an acoustic barrier and a visual statement, offering a private, safe space that's essential for open office environments.
