All Human.
Yutu.

Yutu from Klassworks is a chair that redefines comfort and flexibility in the modern workplace. Designed to support various postures and encourage movement, Yutu is perfect for the fast-paced work environment. It combines a simple, appealing construction with user-friendly controls, making sitting a pleasure anytime, anywhere.

Supportive in Every Way

Recognising that office workers are not stationary, Yutu is designed for the 'fast, not furious' workplace. It supports the need for open space and flexibility, enabling you to switch between focused work and collaborative tasks with ease.

Simple, Yet Sophisticated

Yutu offers a range of options to suit your personal preferences and work style. Choose between models with or without arms, various base options like polypropylene or cast aluminium, and a selection of mesh and upholstery colours. Moulded foam and shaped lumbar support ensure comfort for long and short periods, making Yutu a delight to sit in.

Bringing Joy to the Workplace

With German design met with African engineering and production, Yutu represents a beautiful harmony of global standards and local craftsmanship, offering a chair that is not only visually appealing but also brings big smiles to your workday.
